Concept notes are non-downloadable. The summary sheets of FM, Economics, Costing, Companies Law, Commerce and Accounts can be downloaded. Infinite times - yes, you read it correct. We have placed no such restriction on the number of times you can watch a particular video lesson.

5. How can I contact/talk to faculty if I have some doubts?

Glad you asked. We do not believe in the "sell and forget" sort of thing. We have a dedicated support team and faculty to answer all your queries promptly.

We have established 3 channels of communication between the student and faculty:

- 1) A dedicated discussion forum - the student can post a query on the subject wise discussion forum, the concerned faculty regularly checks the discussion forum for queries and replies.
- 2) A dedicated mail address - students can drop a mail on hello@edutap.co.in mentioning the subject name or the name of the faculty they wish to talk to. Upon receipt of this mail, the faculty is connected to the student on their registered phone number.

3) A dedicated helpline number - Students can call us on 8146207241 (between 9 am to 6 pm on working days) and ask for a strategy cum mentorship call with the faculty. The support team representative then shoots a mail to the student as well as the faculty and arranges a call.

6. Do I need to follow any reference books or other study material along with the course?

The course is comprehensive enough, phase 1 paper 2 and complete phase 2 has been dealt with thoroughly. If students have abundant time at their disposal, they can refer to additional books in order to satisfy their yearning for more knowledge but from the examination point of view, this course is sufficient to cover the complete syllabus and gain confidence.

7. Are the classes live or recorded?

We offer pre recorded as well as live classes as part of the course. The live classes are held once the notification is released. The primary objective of live classes is revision.
